Other Considerations...

Service staffing is billed separate & provided by Arrowheads Estate at a rate of $30 an hour for 8 hours each. Chef staffing is included in food pricing.

The tent pad and stone patios are great for dancing, but an outdoor dance floor rental may be wanted.

The farmhouse has two modern restrooms, however an outdoor restroom rental is required for parties of 70 or larger, with some exceptions.

Outdoors, the cuos we use at Arrowheads Estate are clear compostable plastic, 12oz cups. If something else is required, it may be outsourced at the guests expense.

Tax & Gratuity are not included in pricing. ME state prepared food tax of 8% will be applied to final food and drink total. Gratuity of 20% will be applied to final food and drink total, before tax.

We happily offer tastings at a rate of $65 a head. This is due at time of tasting, but will be credited back towards your final spend if booking with us.
